22 JUN 1958

I understand that you are withdrawing from many of your activities to enjoy a well-earned retirement. I am familiar with and have personally followed with keen interest some of these endeavors over the past six years. Please be assured that your unselfish contribution of time and energy has not passed unnoticed. The service which you have rendered your government is officially and personally appreciated.

Sincerely,

**ALLAN V. DULLES**  
Director
